2693 W Grand Chute Blvd.
Appleton, WI 54913

FEATURING

A night of laughter & clean comedy with Fred
& Gus Klett, father-son stand-up comedians.

Join us for a little *laughter* & lot of **HOPE!**

I am thrilled to present the opportunity to become a sponsor for our upcoming event, "Stand Up for Hope Comedy Night," featuring the talented Fred Klett along with his son Gus Klett. As an integral part of our community, Hope Clinic and Care Center has been dedicated to providing quality healthcare and essential services to those in need since our inception in November 2015.

The mission of Hope Clinic revolves around three pillars of care: healthcare, counseling, and social assistance referral programs. Over the past six years, we have witnessed a 286% growth in patient visits and provided over 800 social assistance referrals in the current fiscal year. Events like Stand Up for Hope serve as crucial avenues to raise funds that directly contribute to sustaining and expanding these vital services.

By supporting this event, your organization will not only align itself with an important resource in our community but will also gain valuable exposure and recognition. "Stand Up for Hope" promises an evening filled with laughter, camaraderie, and shared commitment to community well-being. The event includes hors d'oeuvres and desserts, a comedy hour from Fred and Gus, refreshing drinks, and more, providing a unique and enjoyable experience for sponsors and attendees alike.

We are offering various sponsorship levels, each providing distinct benefits and recognition. Your support will be acknowledged through event promotions, our website, and during the program, offering a prime opportunity for your organization to showcase its commitment to social responsibility.

For more details or to discuss this opportunity further, please feel free to contact me. Thank you for considering this partnership, and we look forward to the possibility of working together to bring hope and joy to our community!
