An Evening of Hope, Love & Laughter benefiting Hope Clinic

SPONSORSHIP OPPORTUNITIES

A Dose of Laughter

An Evening of Hope, Love & Laughter | November 7, 2026 | The Fox Club

Dear Friend of Hope,

I want to tell you about a night we're putting together, and then I want to ask you for something.

The night is called A Dose of Laughter. It's happening November 7 at The Fox Club, and it's exactly what it sounds like: an evening of hope, love, and laughter, all in service of the patients we care for every day.

Here's the ask. Since joining Hope Clinic this year, I have witnessed firsthand the power of this mission. In 2025, we served 609 patients across 4,280 medical visits. Every one of those visits was free. No bills. No insurance forms. No one turned away because they couldn't pay.

That kind of care doesn't happen on its own. It happens because people decide it matters enough to fund it themselves. That's where you come in.

I'm asking your organization to become a sponsor of A Dose of Laughter. The sponsorship levels are laid out in the pages that follow, and if none of them feel right, call me. We'll build something that does.

I hope you'll also just come. Bring your team. Laugh with us. See what your support makes possible. Thank you for reading this far, and thank you, in advance, for what I hope will be a yes.

Sincerely,

Christian Jensen

Executive Director, Hope Clinic & Care Center
